

Driving Healthcare Innovation Among Future
Leaders

NUS Registered Student organisation

**We connect. We
empower. We innovate.**

We are a student-led healthcare innovation club that brings together students from medicine, engineering, business, computing, and related disciplines to collaboratively solve real-world healthcare challenges.

Connect

Collaborate and meet like-minded peers across disciplines.

Make an Impact

Build real solutions to real clinical problems through hands-on innovation projects.

Be Inspired

Learn from seasoned medtech leaders through mentorship, fireside chats, and exclusive events.

Join Our Community

Stay in the loop with everything you need to know.

TELEGRAM CHANNEL
