

Our Team

Team HealthX is now 40 members strong, uniting students from Medicine, Business, Computing, Engineering, Design, Science, and Law. This diverse mix of disciplines fuels our passion for innovation in healthcare technology and ensures that every project benefits from a rich variety of skills, perspectives, and expertise. Together, our members collaborate across programmes, events, and initiatives that drive meaningful change in the MedTech landscape.

Executive Committee

HealthX is guided by a dedicated executive committee that shapes our vision and activities for the year. Led by President **Joel Tang** and Vice-President **Darren Ho**, the team includes **Leong Guang Shian** and **Pranav Shivaprakash Rao**, who head our Health X'posure programme, and **Marcus Lee** and **Kong Kei-lyn**, who lead Health X'perience. Finance and Operations are managed by **Jayden See**, while Publicity and Branding is driven by **Avishi Gupta**. Providing strategic guidance and mentorship are our Chairman and Advisor **John Thng** and our staff advisor, **Dinesh Kumar Srinivasan**. Together, this leadership group ensures that HealthX continues to grow as a dynamic, interdisciplinary MedTech community.
